

Course Syllabus

S21105 History I

Social studies, Religion and Culture

Matthayom I

20 Hours 0.5 credits

Aj. Karntida Muansudjai

Email: Karntida.mu@ssru.ac.th

Description:

This course introduces students to the fundamental understanding of prehistory throughout Thai history, including interpreting, and analyzing sources of information. Students are expected to be able to compare historical eras through various analytical systems. They will utilize the historical method for their research during this course in order to understand and analyze contexts and situations in the past.
