

Course Specification

S21105 History 1

Social studies, Religion and Culture

Matthayom 1 First Semester

20 Hours 0.5 credits

This course will provide an introduction to understanding the passage of time throughout history and interactions between the past, present and future.

In addition, students will learn how to compare historical eras through various analytical systems through the frame of the ancient history of Thailand.

During this course, students will utilize the historical method for their own individual research to better understand and analyze contexts and situations in the past.
