

Civics and Citizenship 6

SOC23236

Social studies , Religious and Culture

Matthayom 3 Second Semester

Total score 100 marks

20 Hours 0.5 credits

This course explores rights and responsibilities associated with being an active citizen in a democratic society. Students will explore issues of civic importance such as healthy schools, community planning, environmental responsibility, and the influence of social media, while developing their understanding of the role of civic engagement and of political processes in the local, national, and/or global community. Students will apply the concepts of political thinking and the political inquiry process to investigate, and express informed opinions about, a range of political issues and developments that are both of significance in today's world and of personal interest to them.

Indicators

1. Become to a good citizen.
2. Understand about their right and responsibilities.
3. Aware of diversity and lave peacefully with other.
4. Understand about conflict management.
5. Understand their power as citizens in our democracy.
