---

Draw and label 4 things that plants need to grow.

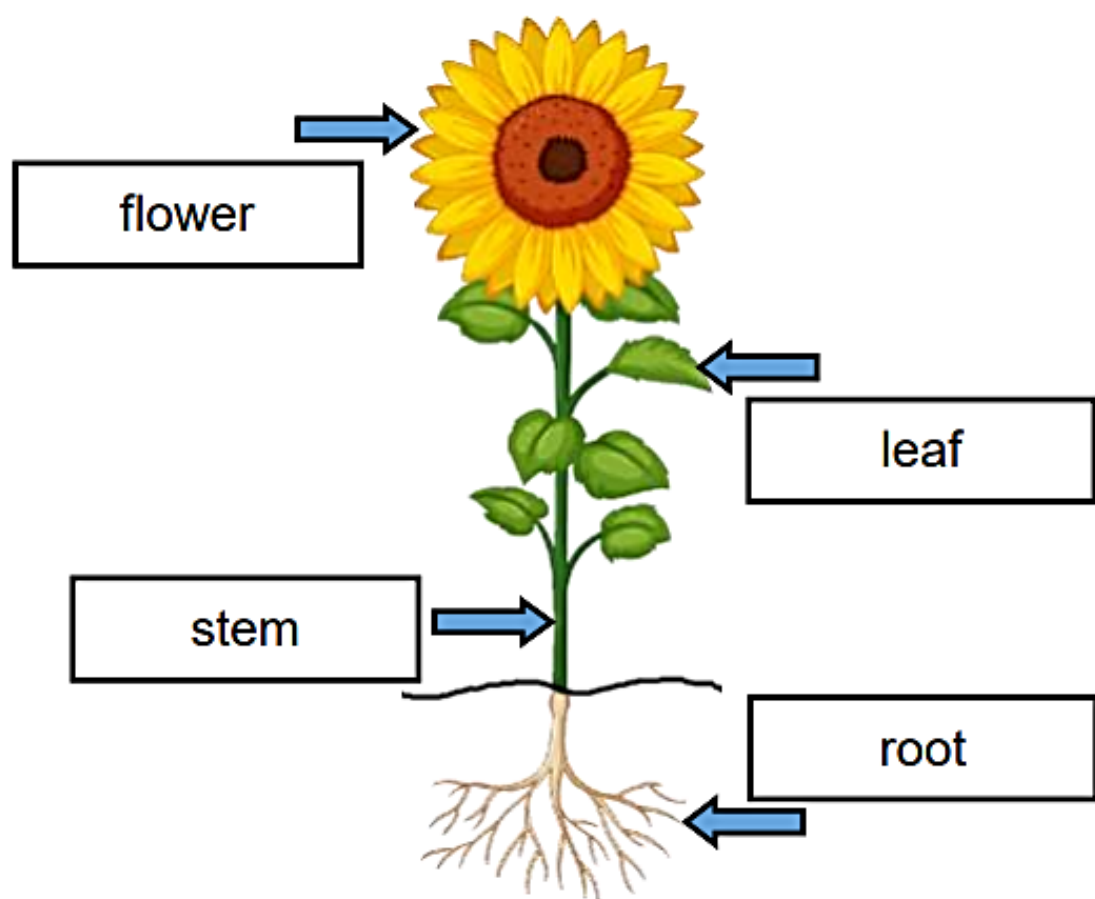

If a seed is buried too deep in the ground, it might not grow. Explain why.

---

---

Complete the paragraph about plants.

***roots***

***stem***

***leaves***

***flower***

\_\_\_\_\_ soak up water and minerals for the plant. The \_\_\_\_\_ supports the plant and keeps it in the sunshine. The \_\_\_\_\_ absorb sunlight and water and create food for the plant. The \_\_\_\_\_ creates seeds for new plants to grow from.
