GREAT CITIES

A: Discuss and answer.

Why do people live in cities?

.....
.....
.....
.....

B: Reading Skill: Organizing information

When there are many similar kinds of details, it is useful to organize them. A good way to do this is to put them into a table.

Read the passage and fill in the table with right information.

Mumbai is a city on the west coast of India. It is one of the biggest cities in the world, with a population of over 18 million people. London is the capital of the United Kingdom. It is in the south of the country and has a population of around eight million people.

C: Read the passage and answer the question.

Great Cities of the World

What makes a city a great city? Here is some information about four of the world's most famous cities.

Mumbai

Mumbai is a city on the west coast of India. It's one of the biggest cities in the world, with a population of over

18 million people. Mumbai is famous for its national park and being the home of "Bollywood," where most Indian movies are made.

London

London is the capital of the United Kingdom. It is in the south of the country and has a population of around eight million people. London was created by Romans in A.D. 43. It

is well known for its many landmarks, such as Big Ben and the London Eye.

Shanghai

Shanghai is the largest city in China, with a population of over 14 million people. It was founded in 1553 and is on the east coast. Shanghai is known for its spectacular skyline, the famous Nanjing Road shopping area and its busy port.

Rio de Janeiro

Rio de Janeiro, with a population of around 11 million people, is one of the

biggest cities in Brazil. It was founded in 1565 and is famous for carnival (street party), beaches and a large statue on a mountain looking over the city.

Answer the questions.

1. How many people are there in Mumbai?

2. Where are the most Indian Movies made?

3. When was Shanghai founded?

4. What are the famous places in Sanghai?

5. What is the biggest city in Brazil? When was it founded?
